## Handicaps

### **Northern Ohio Golf Association**

Signature of Solon Country Club is a member of the Northern Ohio Golf Association (NOGA). To allow our Golf Members to participate in the many tournaments throughout our district, we must adhere to all NOGA rules and regulations. NOGA is part of the USGA's GHIN system, a stroke control system for handicapping purposes. Handicaps are computed twice a month (1<sup>st</sup> and 15<sup>th</sup>) during the golf season. These procedures will also help your Golf Committee and Handicap Committee establish equitable handicaps for our Club events.

### **White Tees in Tournament Play**

A new rule has been instituted for 2017 regarding the opportunity for competitors to play from the white tees in Club Tournaments. White tees will be available in tournament play (with the exception of Member/Guest Invitational) for all men age 70 and older OR for all men whose age + handicap is 85 or more.

USGA Section 3-5 applies for all Members who elect to play from the white tees in a competitive event or tournament.

### **Equitable Stroke Control**

Equitable Stroke Control (ESC) is the system which limits the number of strokes a golfer may report for handicap purposes. The way to adjust scores with ESC sets a maximum number that a player can post on any hole depending on the player's course handicap.

If you are out of a hole and pick up your ball to speed up play, mark down the score you most likely would have made. For handicap purposes, you are required to adjust your hole score (actual or probable) when it is higher than the maximum score you can post for that hole. There is no limit to the number of holes on which you can adjust your score.

---

## **ADJUST YOUR SCORES WITH EQUITABLE STROKE CONTROL (ESC)**

<u>18 Hole Course Handicap</u>	<u>Maximum Score Posted on Hole</u>
9 or Less	Double Bogey
10 to 19	7
20 to 29	8
30 to 39	9
40 or More	10

### **Posting Scores**

After completing 18 holes, the player must enter his or her adjusted score in the handicap computer located in the Golf Shop. In addition, scores from other courses must also be entered into the computer for your handicap computation, using your adjusted score and the course slope and rating. If you have any questions concerning any of the above procedures, please ask one of the Golf Professionals for assistance.

All 9 hole scores as well as all rounds of 13 holes or more are also required to be posted. If you play at least 13 holes, the remaining unplayed holes, for handicap purposes shall be recorded as par plus any handicap strokes that you are entitled to receive on the unplayed holes.

The Handicap Committee is fully aware the Club is to be used and enjoyed by the Members and the above mentioned rule will not apply if a golfer enjoys a few holes while not playing under The Rules of Golf (i.e. practicing while hitting extra shots, etc.). The stroke control and posting procedures have been designed to account for all 9 and 18 hole rounds from the beginning of the golf season to the end of the golf season. April 1st through October 31st is the active posting season in Northeast Ohio as defined by NOGA. You cannot post scores for handicap purposes for rounds played in a northern climate between November 1st and March 31st.

You will be notified when scores are to be posted as tournament scores.
