Dear Members of Signature of Solon Country Club:

It is with much excitement and enthusiasm that I present to you the 2021 Golf Member Information Booklet. Inside you will find answers to many of your questions as they pertain to the golf operation here at Signature.

2020 was a challenging year, to say the least, and we anticipate a very busy 2021 on the golf course. We ask that you use the ForeTees app to sign up for tee times in advance, especially for weekend play. Please be aware that if you make a tee time as a twosome, another twosome may join you online or be assigned to that tee time slot by the Golf Shop staff.

Many of our events are available for registration on the ForeTees app. The only exception is the Men's Member/Guest Invitational which will have a separate sign-up format.

If you have any questions pertaining to the information in this booklet, my door is always open. Feel free to stop by the Golf Shop or give me a call at 440.248.4573.

I am honored to be your Head Golf Professional,

Dan Banks, PGA

Tee Times are available in ten (10) minute intervals starting at 7:30 am during the prime golf season of May thru September. Starting tee times may vary during the shoulder months (March, April, October & December) based on weather and potential frost delays. If the temperature is 40 degrees or lower we recommend that you call the Golf Shop prior to coming to the Club.

The Club is closed to Members on Mondays throughout the year. The course is reserved on Tuesdays until 11:00 am for the Ladies S.W.in.G. league. Tee times are recommended to ensure that the golf course is available pending Member Tournaments or other special events.

## Guest Policies

Members are encouraged to bring guests to play at the Club. Guests are permitted to play after 10:00 am on Saturday and Sunday, after 11:00 am on Tuesday and any time Wednesday through Friday. **A guest is limited to no more than six (6) rounds per year at the Club's accompanied guest rate, either as the guest of said Member or as the guest of any other Member.** Members must register all guests in the Golf Shop prior to play. Members are responsible for ensuring guests are following all policies and procedures while at the Club. Members may have up to seven (7) guests on the golf course at one time. All guest policies are subject to change at the discretion of the Head Golf Professional and Club management.

## Social Golf Member Policies

Social Golf Members are permitted to make tee times after 10:00 am on Saturday and Sunday, after 11:00 am on Tuesday and any time Wednesday through Friday. Once those eight (8) rounds have been exhausted, Social Golf Members are required to upgrade to a Full Golf category in order to receive additional golf course access during the calendar year.

---

## Driving Range and Practice Facility

Golf carts are to be used on the golf course by golfers only. The Club does not permit spectators or tours of the golf course unless previously approved by the Head Golf Professional or Club management. The exception is the path that crosses #13 tee and runs behind #12 green that connects Signature I to Signature II.

## Handicaps

### **Northern Ohio Golf Association**

Signature of Solon Country Club is a member of the Northern Ohio Golf Association (NOGA). To allow our Golf Members to participate in the many tournaments throughout our district, we must adhere to all NOGA rules and regulations. NOGA is part of the USGA's GHIN system, a stroke control system for handicapping purposes. These procedures will also help your Golf Committee and Handicap Committee establish equitable handicaps for our Club events. The annual handicap fee for all Members is \$40 +tax and is billed on the May Member Statement.

### **White Tees in Tournament Play**

White tees will be available in tournament play (with the exception of Member/Guest Invitational) for all men age 70 and older OR for all men whose age + handicap is 85 or more.

### **Equitable Stroke Control**

Equitable Stroke Control (ESC) is the system which limits the number of strokes a golfer may report for handicap purposes. With the launch of the new World Handicap System in January, 2020, the maximum score you can record for handicapping purposes is NET DOUBLE BOGEY.

If you are out of a hole and pick up your ball to speed up play, mark down the score you most likely would have made. For handicap purposes, you are required to adjust your hole score (actual or probable) when it is higher than the maximum score you can post for that hole. There is no limit to the number of holes on which you can adjust your score.

---

## **Posting Scores**

After completing 18 holes, the player must enter his or her adjusted score in the handicap computer located in the Golf Shop. In addition, scores from other courses must also be entered into the computer for your handicap computation, using your adjusted score and the course slope and rating. If you have any questions concerning any of the above procedures, please ask one of the Golf Professionals for assistance.

All 9 hole scores as well as all rounds of 13 holes or more are also required to be posted. If you play at least 13 holes, the remaining unplayed holes, for handicap purposes shall be recorded as par plus any handicap strokes that you are entitled to receive on the unplayed holes.

With the implementation of the new World Handicap System in 2020, handicap indexes will be updated on a daily basis instead of twice a month on the 1st and 15th. Since the maximum score you can post on any given hole is now net double bogey, it is important that you confirm your handicap index on the day you played prior to posting your score.

**It is also critical that you post your score with the proper date played and course played.**

The Handicap Committee is fully aware the Club is to be used and enjoyed by the Members and the above mentioned rule will not apply if a golfer enjoys a few holes while not playing under The Rules of Golf (i.e. practicing while hitting extra shots, etc.). The stroke control and posting procedures have been designed to account for all 9 and 18 hole rounds from the beginning of the golf season to the end of the golf season. **April 1st through October 31st is the active posting season in Northeast Ohio as defined by NOGA.** You cannot post scores for handicap purposes for rounds played in a northern climate between November 1st and March 31st.
