Pee Wee Golf Mission Statement

The goal of the 2021 Signature of Solon Pee Wee Golf Program is to establish and maintain the highest standards of conduct at all levels of the game. When young players are trained in the basics of rules and golf etiquette they will have the foundation to become tomorrow's models of sportsmanship. In the overall game of life, golf strokes and trophies have little or no value. The underlying character that we call sportsmanship will. The values of honesty, self-reliance and respect towards others form the heart of golf.

The golf instructor is the coach or role model and this responsibility will not be taken lightly. With enthusiasm, honesty, sincerity, and a sense of fair play we will strive to instill these values into young golfers and teach them the swing fundamentals. We will reward good behavior, concentration, sustained effort, and sportsmanship. Above all else, golf should be fun and enjoyable.

DRESS CODE

The following dress code must be observed by all players:

Appropriate Attire for Boys is a golf shirt with a collar, slacks or Bermuda shorts. NO JEANS, TANK TOPS, GYM SHORTS, OR BICYCLE SHORTS WILL BE ALLOWED.
